

Brandon Van Bellinghen

Student in Business Informatics

Professional experience

2020 - current

Multi-skilled warehouse worker: Distrilog Group Puurs (Delhaize)

I must store the goods that arrive at the Delhaize warehouse so that the order preparer can pick up the products as quickly as possible.

2019

Cassier/storekeeper: Carrefour Drogenboos

In the beginning, I was a homestead for the Carrefour de Drogenboos, where I had to be welcoming and respectful towards customers (in Dutch, French and English). And then I had to manage a department in the carrefour store and be able to answer customer questions in different languages.

2017

Order picker: Colruyt from Ghislenghien

I had to prepare a certain number of orders per day for Colruyt stores

2016

Host/Supervisor: Clown Kea Tubize

I had to watch the children throughout the day and at the same time help the parents or children when he asked me questions in French or Dutch.
